

BONUS research and innovation for a sustainable Baltic Sea Region

ASP 5E1

12.00-14.30 buffet lunch

26 November 2013

Registration: satu.hassi-office@ep.europa.eu

The event will highlight the success of BONUS, the ambitious research and innovation programme it supports and its contribution towards joint programming of European research and innovation, the EU Strategy for the Baltic Sea Region, the Common Fisheries Policy, Maritime Policy, the international research cooperation etc.

At the time of the event, BONUS will have managed the first year of its implementation phase and the first projects to receive BONUS funding within the domain of the BONUS call 2012 will be announced.
